

2020/11/09-10 i2S MedCare : 2nd edition ViV

HEALTHTECH – Bordeaux

09/11/2020 - 10/11/2020

"The event dedicated to the health sector and technological innovation"

Come and find out i2S MedCare know-how in embedded vision 2D/3D and in e-health.

We are pleased to introduce our biomedical imaging solutions, our portfolio of technological bricks – 3D imaging, learning by Artificial Intelligence, and our from “Photon to Cloud” approach – capable to take up your most complex challenges in the areas of health and wellness.

Meet us at the Palais des Congrès in Bordeaux on November 9th and 10th, 2020!
